REACHING THE VENUE

The **venue** is located in the very centre of Frankfurt, within **walking distance from the main train station**. You may also take a **one-stop with the underground (U5 / U6)** from the main train station, exiting at 'Willy-Brandt-Platz', then walk for 3 minutes to the venue. **From the airport**, you take 'S-Bahn' (S8 / S9 – regional underground trains) to the main train station which takes 20 minutes max. A taxi-ride directly to the venue costs around EUR 30,00.

YOUR MEETING STATION | INSTALLING YOUR SAMPLES

Doors will be open as of **08h30 on 02 July 2026** when **you should come in to prepare your meeting station**. Visitors will come in as of **09h30** although we expect that the larger share will arrive a little later. You enter the hotel through the main (small) entrance, then turn left towards the exhibition halls. This is not a trade fair, but a scheduled event i.e. the **location of your meeting station** has been determined on the basis of product / segment logic. You will **find your table with 4 chairs with your company name-sign on it, together with one or two hanging rails** with a total of approximately 200 cm hanging capacity. **You need to bring your own hangers**. There will be space where you can store your empty luggage. You are allowed to bring roll-ups, but **you must not affix any posters** etc.

YOUR MEETINGS

We will **manage the meetings on-site**, advising you when your meeting will be arriving.
